Westward Expansion ~ Manifest Destiny

Read the instructions carefully:

Select six characters from the drawing below (you may include animals), and create speech or thought bubbles for each one. In each bubble, write one or two sentences describing the character's thoughts or feelings. Within each bubble, use one of the terms listed in the Word Bank. If necessary, write your sentences as captions in the space below the drawing. Color the drawing to make it look like the actual painting.

Word Bank

- destroy
- growth
- justified
- Manifest Destiny
- native people
- other countries
- progress
- territorial acquisition
- United States
